

ALUMINIUM VERTICAL BATTENS

PRODUCT INFORMATION

Our aluminium vertical battens are a timeless, contemporary fencing style featuring sharp, clean lines that add a modern, elegant touch to any property. Made from corrosion-resistant aluminium, they are maintenance-free and built to last.

All products are proudly manufactured in Melbourne at JND Timber & Steel, combining quality craftsmanship with stylish design.

SPECIFICATIONS

- Battens 38 × 25 mm aluminium for a sleek, modern look
- Spacing 40 mm for a clean, uniform finish
- Premium powder-coated finish in the colour of your choice
